Special Volunteer Services at the National Institutes of Health

AGENCY: National Institutes of Health, Public Health Service, DHHS.

ACTION: Withdrawal of proposed rule.

SUMMARY: The National Institutes of Health (NIH) is withdrawing the notice of proposed rulemaking (NPRM) pertaining to the acceptance and use of uncompensated volunteer services. This action is being taken to comply with provisions of Executive Order No. 12866.

SUPPLEMENTARY INFORMATION: The NIH published an NPRM in the **Federal Register** August 9, 1993 (58 FR 42270) governing the acceptance and use of uncompensated volunteer services administered through the NIH Special Volunteer Program, and invited public comment on the proposed regulations. Subsequently, the President issued Executive Order No. 12866, Regulatory Planning and Review, which outlines a program to reform and make more efficient the regulatory process. Section 1(a) of that Order directs agencies to promulgate only those regulations that are required by law, are necessary to interpret the law, or are made necessary by compelling need. The NIH has determined that the regulations are not required by law or necessary to interpret the law; nor is there a compelling need

for the proposed regulations pertaining to the NIH Special Volunteer Program. Consequently, the NIH is withdrawing the proposed regulations and will continue to administer the program through guidelines.

EFFECTIVE DATE: July 13, 1995.

Visitor Service Authorizations on Alaska National Wildlife Refuges

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule; re-opening of public comment period.

SUMMARY: The proposed rule would establish Fish and Wildlife Service regulations to implement section 1307 of the Alaska National Interest Lands Conservation Act (ANILCA). The proposed regulations are necessary to establish procedures for granting historical use, Native Corporation, and local preferences in the selection of commercial operators who provide visitor services other than hunting and fishing guiding on National Wildlife Refuge System lands in Alaska. Particularly, this rule would provide guidance in the solicitation, award and renewal of Alaska visitor service authorizations. This rulemaking, the substance of which was printed as a proposed rule on April 25, 1995 (60 FR 20380), extends the comment period for another 60 days to allow additional review and comment by interested groups and persons.

DATES: Comments will be accepted until September 11, 1995.

ADDRESSES: Comments should be addressed to Regional director, Alaska Region, U.S. Fish and Wildlife Service, 1011 E. Tudor Road, Anchorage, AK 99503.

FOR FURTHER INFORMATION CONTACT: David J. Patterson, Regional Public Use Specialist, U.S. Fish and Wildlife Service, 1011 E. Tudor Road, Anchorage, AK 99503.

The initial comment period expired on June 26, 1995. Many comments received during the initial comment period requested additional time to review the proposed regulations. Coral and Coral Reefs of the Gulf of Mexico; Amendment 3

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability of an amendment to a fishery management plan and minority report; request for comments.

SUMMARY: NMFS announces that the Gulf of Mexico Fishery Management Council (Council) has submitted Amendment 3 to the Fishery Management Plan for Coral and Coral Reefs of the Gulf of Mexico for review, approval, and implementation by NMFS. Written comments are requested from the public.

DATES: Written comments must be received on or before August 21, 1995.

ADDRESSES: Comments must be mailed to the Southeast Regional Office, NMFS,

9721 Executive Center Drive N., St. Petersburg, FL 33702.

Requests for copies of Amendment 3, which includes a regulatory impact review and an environmental assessment, or for copies of the minority report on Amendment 3 should be sent to the Gulf of Mexico Fishery Management Council, 5401 W. Kennedy Boulevard, Suite 331, Tampa, FL 33609-2486, FAX 813-225-7015.

FOR FURTHER INFORMATION CONTACT: Georgia Cranmore, 813-570-5305.

SUPPLEMENTARY INFORMATION: The Magnuson Fishery Conservation and Management Act (Magnuson Act) requires that a council-prepared amendment to a fishery management plan be submitted to NMFS for review and approval, disapproval, or partial disapproval. The Magnuson Act also requires that NMFS, upon receiving an amendment, immediately publish a

notice that the amendment is available for public review and comment. NMFS will consider public comment in determining approvability of the amendment.

Amendment 3 proposes the following measures: Prohibit the taking of wild live rock in the Gulf of Mexico (Gulf) exclusive economic zone (EEZ) off Florida north and west of the Levy/Dixie County line; remove the prohibition on taking wild live rock by chipping between the Pasco/Hernando County and Levy/Dixie County, FL, lines; establish a 500,000-lb (226,796-kg) annual quota for 1995 and 1996 in the Gulf EEZ off Florida north of Monroe County to the Levy/Dixie County line, which is the only area that would remain open to live rock harvesting in the Gulf EEZ; and reduce the amount of substrate that may be taken at the base of an allowable

octocoral in the Gulf EEZ from 3 inches (7.6 cm) to 1 inch (2.5 cm).

A minority report submitted by two Council members objected to the proposed prohibition on taking wild live rock in the Gulf EEZ off Florida north and west of the Levy/Dixie County line. The report argues that Amendment 3 reneges on an earlier Council commitment that provided investors greater time to convert their business investments to aquaculture.

Proposed regulations to implement Amendment 3 are scheduled for publication within 15 days.

Authority: 16 U.S.C. 1801 *et seq.*
